

中神通大地云管系统-文档资源

TrustComputing TRUSTGATE Cloud Control System - Document resources

http://www.trustcomputing.com.cn/help/TrustComputing_DADI_Document_Resource_List.docx

一、技术文档 **Technical documentation**

1、中神通大地云管系统-系统简介

TrustComputing TRUSTGATE Cloud Control System - Brief Introduction

http://www.trustcomputing.com.cn/help/zst_dadi_intro.pptx

2、中神通大地云管系统-系统介绍

TrustComputing TRUSTGATE Cloud Control System - Introduction

http://www.trustcomputing.com.cn/help/zst_dadi_intro.docx

3、中神通大地云管系统-管理员手册

TrustComputing TRUSTGATE Cloud Control System - Administrator's Guide

http://www.trustcomputing.com.cn/help/zst_dadi_adm.doc

4、中神通大地云管系统-用户指南

TrustComputing TRUSTGATE Cloud Control System - User's Guide

http://www.trustcomputing.com.cn/help/zst_dadi_userguide.pdf

7、客户端设置一览表

TrustComputing TRUSTGATE Cloud Control System – Client Setup List

http://www.trustcomputing.com.cn/help/client_setup_list.docx

二、技术说明 **Technical description**

1、中神通大地云控官网

TrustComputing DADI official website

<http://www.trustcomputing.com.cn/cn/index.php/product/dns-url>

2、中神通大地云控产品类型对比说明

Comparison of product types of TrustComputing DADI

<http://trustcomputing.com.cn/cn/index.php/product/compare/126-alldadi>

3、中神通大地云控比较

Comparison of TrustComputing TrustGate

<http://trustcomputing.com.cn/bbs/viewthread.php?tid=1763>

4、云市场网络商品比较

Comparison of Cloud products in cloud market

<http://trustcomputing.com.cn/bbs/viewthread.php?tid=1825>

5、Darkside 勒索病毒的网络防御措施

Network defense measures against Darkside virus

<http://trustcomputing.com.cn/cn/index.php/support/techdocs/121-anti-darkside>

6、零信任系统

Zero trust system

<http://trustcomputing.com.cn/bbs/viewthread.php?tid=1592>

7、运用 Mesh 自建去中心化网络基础设施服务

Self built decentralized network infrastructure services using mesh

<http://trustcomputing.com.cn/bbs/viewthread.php?tid=1820>

8、运用中神通大地云控组建 Mesh 网络

Establish mesh network by using TrustComputing DADI

<http://trustcomputing.com.cn/bbs/viewthread.php?tid=1821>

9、运用 WireGuard 构建下一代内核级网络

Using wireguard to build the next generation kernel network

<http://trustcomputing.com.cn/bbs/viewthread.php?tid=1741>

10、安装和管理大地云控系统的视频演示

Video demonstration of installation and management of TrustComputing DADI

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1175>

11、用户使用大地云控的视频演示、客户端软件及使用说明

Video demonstration, client software and instructions for users to use TrustComputing DADI

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1176>

12、中神通大地云控思维导图

Mind map of TrustComputing DADI

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1266>

13、中神通大地云控 IPV6 说明

Description of TrustComputing DADI's IPv6 function

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1406>

14、如何让 Windows 网络邻居安全的在云上复活？

How to make windows network neighborhood safely revived in the cloud?

<http://trustcomputing.com.cn/bbs/viewthread.php?tid=1668>

15、中神通大地云控 WEB 服务器自定义 URL 功能介绍

Introduction of custom URL function of TrustComputing DADI's WEB Server

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1478>

16、大地云控与传统 DDNS、内网穿透相比的特点和优势

The characteristics and advantages of TrustComputing DADI compared with traditional DDNS and LAN penetration

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1543>

17、大地云控基于 GRE 隧道+端口映射的公网穿透

Public network penetration of TrustComputing DADI based on GRE tunnel + port mapping

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1611>

18、中神通大地云控的流量统计、控制、计费、运营功能介绍

Introduction of traffic statistics, control, billing and operation functions of TrustComputing DADI

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1581>

19、中神通大地云控-TOTP 动态密码认证设置及使用过程

Setting and using process of TOTP dynamic password authentication of TrustComputing DADI

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1562>

20、中神通大地云控-端口映射设置及使用过程

port mapping setting and using process of TrustComputing DADI

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1561>

21、安卓系统在 4G 移动数据流量及 WIFI 时设置（DOT 加密）DNS 服务器

Android system in 4G mobile and WiFi setting (DOT encryption) DNS server

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1631>

22、在 Docker 容器中安装使用中神通大地云控系统

Installing and using TrustComputing DADI system in docker container

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1606>

23、在公有云市场中使用大地云控 OS 镜像的注意事项 Considerations for

Using TrustComputing DADI OS image in public cloud market

<http://www.trustcomputing.com.cn/bbs/viewthread.php?tid=1540>
